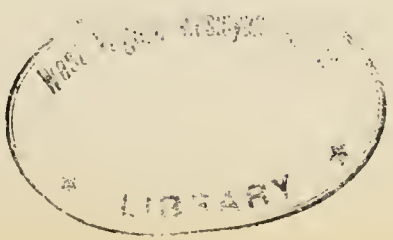
Wesleyan Steps Out!

TOWARD ITS SECOND FIFTY YEARS

245163



Wesleyan's Freshman class steps out for a picnic as guests of the student council.

From one class to another.

"And the yawn came up like thunder—"

Bailey Broke Rule;
Wears Slacks to School!

Wesleyan, ever proud of her beautiful, rustic campus, exhibits herself with dignity and pride during the changing seasons of the year. Here we see the Administration Building, Agnes Howard Hall, Haymond Science Hall, and the Music Hall.

Students step out between classes . . . Frosh pause for a bit of mugging . . . Science Hall workshop.

Kenney, Cullings, and a melting point . . . Setting up exercises in organic lab . . . Dr. "Nick" Hyma.

Cullings shows Bonham lab technique . . . Benzene Ringer

Seamon and Initiate Gabriel . . . Herb keeps a Sharp eye on distillation . . . Winter comes to the Science Hall.

You're wrang; it's nat a coffee grinder.
Beauty's only skin deep anyway . . . 'S no men . . . Doll lalls.
Expectorating extinguishers . . . We want a tauchdown! . .
Same to you . . . Frosh president.
Benchwarmers Hamrick and Schaalcraft . . . A tisket, a tasket . . . Camin' raund the bend.
And the Sigma Delts sing.

PRESIDENT ROY McCUSKEY, D.D.

At his desk
With Mrs. McCuskey

At his graduation from Wesleyan
And at his camp

With Bishop Leonard and Clyde O. Law

DEDICATION

To DR. ROY McCUSKEY, who for the past decade
has loyally and devotedly served his Alma Mater,
this volume is respectfully dedicated. Dr. McCuskey
graduated from West Virginia Conference Seminary
in 1905, but returned to receive the Bachelor of Arts
degree in 1908. He was granted the degree of Bachelar of Sacred Theology by Boston University School
of Thealogy in 1911. Dr. McCuskey served as a member of the Board of Trustees and in 1931 was made
College President. Wesleyan honored him by awarding the honorary degree of Doctor of Divinity in 1922.

FACULTY

Representing Wesleyan's faculty are men and women who have associated themselves for many years with the elements of sound higher education. Religious ideals, blended with scholastic excellence, exemplify their philosophy of education.

●

Wesleyan's professors, having received their educations in nine states and twenty-six different universities and colleges, present an excellent cross-section of educational policies. Having come in contact with the leaders in the field of learning, they are able to enrich the student curriculum.

●

With the combined advantage of well-equipped departments, high ideals of Christian education, and a select student body, the faculty is able to mold resolute character and to establish a progressive outlook on life.

FACULTY

CLASS of

The class of 1941 strode briskly onto Wesleyan's campus in 1937; it consisted of seventy-nine Eds and fifty-eight Co-eds. Through the four years students came and went. After eight semesters of outstanding participation in extra-curricular activities, as well as excellence in scholastic endeavor — preceded by late hours of study — seventy-six Seniors will step out across the platform to receive their diplomas. Beginning as green Freshmen, they have climbed the rocky path to knowledge, and are now ready to take their places in the world.

CLASS of

Looking forward to another year of enjoyable college activity, the class of '42 girds itself for the last battle of the books which stands between it and graduation. Advancing through three years of study and social attainment, the members have left behind a record which will be hard to equal. With but eighty-one students, the Juniors make up in quality what they lack in quantity. They should well be able to follow the trail blazed by their predecessors.

CLASSES of

Members of the class of '43 have trekked to Wesleyan's campus from seven states. One hundred and sixty-seven strong, they have successfully covered the first two years of their collegiate travels. Judging by the record, it would seem that they will be highly capable of stepping along in the footsteps of those who have gone before.

Three years of friendly association with other students, and six semesters of intensive study await the members of the Freshman class. How many will accept the challenge, continue the effort, and in time step forth from their Alma Mater's campus into a world of adventure? Let us wish them every good fortune on their journey.

"She walks in beauty"...

BEAUTIES

Early in the school year Wesleyan students chose their beauty queens. This election was a change from the procedure of having the choice made by a famous screen star. It was decided that, through constant association with the girls both in the classroom and on the campus, students could better judge them from the standpoint of poise and personality as well as physical attractiveness. Their judgment could not have been better. The eight girls selected have all of the queenly attributes. The beauty queens are Martha Jean Mortin, Enterprise, and Cora Mae Stout, Lost Creek, Seniors; Kathleen Norris Williams, Buckhannon, Bettie Antionette McQuistan, Irwin, Pennsylvania, and Helen Louise Conaway, Mannington, Juniors; Agnes Ann Merryman, Sistersville, Sophomore; Helen Jean Bailey, Buckhannon, and Kathryn Elizabeth Tannehill, Connellsville, Pennsylvania, Freshmen.

Sororities

Following an enobling resolution of the Board of Trustees passed in June, 1925, four sororities (as well as three fraternities) were organized. The sororities on the campus are the Sigma Delta Chi, Kappa Phi Omega, Sigma Pi Delta, and the Tallagewe. These organizations are the center of a major portion of the social life of the college. Not only do they take the lead in giving dances, dinners, teas, and other social affairs, but they also support the various school activities. Close bonds of friendships are formed in these organizations which enrich the lives of many girls during their college careers and also in later life.

Fraternities

Alpho Kappa Pi, Kappa Alpha Order, and Sigma Eta Delta are the three social fraternities on Wesleyan's campus. Each has helped to present traditions which play an important part in the school life of every man on the campus. Social functions and student activities are insured success with the support of these fraternities. Each of the organizations supplies an important element of college life which cannot be found in the classroom or in the laboratory.

Sports

Wesleyan's sports program seeks to provide individuals and groups the opportunity for physical activity in situations that are "physically wholesome, mentally stimulating and satisfying, and socially sound." Intercollegiate competition includes football, basketball, baseball, tennis, and golf. In addition, there is a well-rounded program of intramural sports for both men and women.

Coach "Cebe" Ross

Coach Cecil B. Ross, Wesleyon alumnus, has been directing athletics at his Alma Mater since 1925. Popularly known as "Cebe," Coach Ross has gained a reputation as one of the most successful mentors of small-college teams. Several of his former Bobcats are now with professional football teams; many others are coaches and athletic directors in high schools, colleges, and universities.

The "Thuse" Section

Teams may fight hard, but they need the support and encouragement of the student body and the public. Pictured below are some of the leaders in the program to promote and publicize athletics at Wesleyan.

Upper left: Carl H. Cline, sports publicity writer for the last two years, has done a highly commendable job of keeping Wesleyan's teams before the newspaper reading public. Carl is a member of the graduating class.

Lower left: Dave Reemsnyder, assistant coach, watches critically as the Bobcats prepare to try out a play at a practice session. Dave is himself a former Bobcat player who won nationwide notice for his prowess on the Wesleyan gridiron.

Upper right: Assuring the teams that the crowd is behind them, the cheerleaders are always on hand to lead the fans into a lusty yell. Five in number, they are, left to right: Guy Douglass, Martha Jean Martin, John Hassler, Jacqueline Williams, and John Waldeck.

Lower right: Drum Major Ronald Sleeth steps out to lead the band through maneuvers on the football field between halves. In the forefront are the band spansars, Janis Simons, Agnes Ann Merryman, Helen Conaway, and Cora Mae Stout.

FOOTBALL

After several years in the football "doghouse," the Wesleyan Bobcat is beginning to sharpen his claws and will start hunting in earnest this fall.

The 1940 season was characterized by development of what Coach Ross claimed was "My best line in the sixteen years of coaching college football." Unfortunately, the '40 edition of the Ross machine lacked capable ball taters, and the backfield was a keen disappointment all season.

Nevertheless, Coach Ross was able to build a team that improved over the 1939 eleven, and turned in three victories, while bowing in defeat five times.

As for the 1941 eleven, the outlook is good although the Rossmen are facing a strenuous ten-game schedule. Only one change marks the card from the past season. St. Vincent College of Latrobe, Pennsylvania, has been added to the schedule after a year's absence.

1940 SEASON

Wesleyan 20	Salem 0
Wesleyan 0	Morris-Harvey 15
Wesleyan 0	Geneva 6
Wesleyan 0	West Virginia 32
Wesleyan 0	Catholic University 13
Wesleyan 13	Davis-Elkins 0
Wesleyan 19	Bethany 7
Wesleyan	Waynesburg (Postponed)
Wesleyan 0	Marshall 67

The Bobcats began their 1940 campoign with a smashing victory over a weak Salem College eleven. Combining powerful running plays with an effective aerial attack, the Methodist machine had little trouble in winning the initial game by the score of 20-0. The first touchdown came as a result of a 72-yard march with Meighan and Glad carrying the ball. Meighan finally plunged over the one-yard stripe to give the Cats a 6-0 lead. In the second half, the Rassmen struck through the air as Glad and Andrick tossed passes to Roussos for gains of 15 and 25 yards before Spessard plunged over from the two-yard line. Poundstone converted to boost the score to 13. The same passing of Glad to Roussos again proved valuable in the last quarter as Mickey tossed a 17-yard heave to the hefty end, and "Sack" ran 40 yards to pay dirt. Poundstone's kick for the extra point was again good to complete the scoring for the day.

An alert Morris-Harvey eleven that capitalized on every break pushed over two touchdowns and a safety to topple the Bobcats 15-0 in the second game of the seosan. The Orange and Black played a defensive game throughcut the entire contest, and were unable to get a consistent attack under way at any time in the game. A 50-yard march netted the Eagles their first score in the first period, and a few minutes loter a blocked Wesleyan punt led to the second Morris-Harvey touchdown. Late in the final period, Meighan was tackled in the end zone and the Eagles added two more points to their evening's total.

The Convenanters of Geneva College pushed aver a third quarter touchdown, and then "dug in" during the remainder af the game and protected their slender lead to defeat the Rassmen 6-0. Reeling aff four fast first downs, the Genevans marched seventy yards in seven plays far the game's anly score as fullback Bruno of the Pennsylvania team carried the ball most of the time, and scored the six paints. The Orange and Black threatened to score but once. Late in the second quarter the Bobcats moved fram the Geneva 35 to the 12-yard line an a triple reverse with DeMarca carrying the ball. However, the Geneva line stiffened and after the Rassmen were stopped in two running plays, they took to the air with no better success.

West Virginia's power-laden Mountaineers finally wore down a gallant, but autnumbered, Babcat team and tallied faur touchdawns in the secand half ta pace the University team ta a 32-0 win. The first score of the game did not come until the final twa minutes af the first half, as the Mountaineers went 35 yards to score. The Bobcats threatened but once, when Kosko recavered a Mountaineer fumble on the West Virginia 38. However, on the next play, Seabright intercepted a pass, and the Cats' only scaring opportunity was last. A steady string af fresh reserves had little trouble scoring at will in the secand half, as a tired Methadist team tried in vain to halt the deluge.

Catholic University's Cardinals took ta the air lones ta hand the Bobcats their fourth stroight setbock an October 26 in Washington. A sustained drive of 64 yards gave the Cords their first touchdown when Sachon finally passed ta Brendon Stynes in the end zane. Cherella dropkicked the conversion ta give Dutch Bergman's team a 7-0 lead. With less than a minute to play in the first half, the Cardinals stopped the Rossmen on the eight. Sachan then passed to Donavan on the 45, and an the final play af the half heaved another to Danavan on the goal line, to give the Washingtan eleven their secand score. The Bobcats moved deep into the enemy territary severol times during the contest, but on each accasion the Cardinal line was equol to the task, and held the Cats scoreless.

Returning to their home field, the Bobcats finally snapped their lasing streak which had extended to four games when they trounced Davis Elkins 13-0. Early in the game, with the ball on the Senatar 40, Meighan passed to Gwosden with the end lateroling to Kulnis, who advanced the ball to the visitors' seven-yard line. Kulnis then plunged over in his secand try, and Poundstane kicked the extra paint. The second touchdown came late in the second quorter as Spessord and Kulnis carried the ball ta the Davis and Elkins' 20. On an end-around play Gwosden made a first dawn an the ane, and Spessard hit the line to score, and that ended the scoring for the afternaan.

Encouraged by their victary over Davis-Elkins, an enlivened Bobcat spailed Homecoming Day at Bethany College the fallawing Saturday and mauled the previously undefeated Bisons 19-7. After Bethany had scored in the first periad, the Rossmen came to life and went 58 yards far a touchdown with Kulnis doing the scaring. In the final period the Rassmen added two more touchdowns an sustained drives, 46 and 55 yards, respectively, with Kulnis and Spessard plunging aver. Andrick converted after the final touchdown, and the Cats had bumped Bethany from the ranks af the undefeated.

Old King Winter goined a verdict aver the Cats on November 16 as cold weather and icy roads caused postponement of the annual Homecoming game with Waynesburg College.

The Babcats rang dawn the curtain an a mediacre season by taking a severe drubbing at the hands af Marshall College in the annual Turkey Day classic played at Huntington an November 21. The final score was 67-0, as Jackie Hunt set a new intercollegiate scoring record for one season by making faur touchdowns to reach the tatal of 162 points far ane campaign. The Big Green team tallied ance in the first period, twice in the second, and three times each in the final two quarters, while holding the Cats at bay during the entire cantest.

BASKETBALL

For the first time in several years, the Bobcat basketeers were able to boast of a better than five hundred average for the regular playing season, as the Rossmen won eleven games while losing ten.

Highlights of the campaign were victories over Glenville and Marshall, marking the first time that the Rossmen had defeated these respected rivals since 1936. Another high spot of the strenuous schedule was a 54-50 triumph over West Virginia University at Mount Hope, after the Mountaineers had previously defeated the Bobcats at Buckhannon and Morgantown.

During the regular season the Orange and Black notched two victories each over Fairmont and Bethany, and swept single encounters with West Liberty and Davis and Elkins. The Rossmen also split two-game series with Marshall, Glenville, Alderson-Broaddus, and Morris-Harvey, while the Cats dropped both pairs of games played with Waynesburg and Salem. Against West Virginia University, the local cagers captured one game out of the three played.

The West Virginia Intercollegiate Conference Tournament was again held in the Bobcat gymnasium from March 10 to 12. The Bobcats, defending title holders, were unequal to the task of retaining their crown, and after defeating Potomac State in the opening round, were beaten by Concord State in the semi-finals.

INTRAMURALS

The 1940-41 Intramural program was featured by close competition in all sports in both the men's and women's divisions. The men's program was again under the supervision of Dave Reemsnyder, while Miss Margaret E. Covert guided the activities of the women.

No one class stood out in the men's race, a different champion being acclaimed in each sport. The Seniors successfully defended their basketball championship won in 1939-40 in the "A" League. The Juniors captured the title in the basketball "B" League, and the Sophomores were accorded the laurels in touch football.

Team sports again stole the spotlight, as the men participated in touch football, volleyball, basketball, and softball. The women also had a varied program. Field hockey was substituted for touch football, which comprised the only difference between the men's and women's schedules.

The Saphomores proved their athletic ability in the women's division, winning the titles in hockey and volleyball, while the Juniors captured the basketball championship.

Individual sports also proved popular, and there was keen rivalry in table tennis, handball, archery, golf, tennis, horseshoe pitching, and foul shooting.

Remember?

WHEN . . . your hardest assignment was simply to get ready for school—and you thought there was nothing harder in the world? And yet you had a peck of fun, for you had no worries, no responsibilities.

NOW you know better, but you're having more fun and living better than ever before. There are many reasons, but a principal one is that you enjoy the numerous benefits and conveniences of electricity in your every-day life.

COLLEGE students face the future with assurances of a broader sphere of usefulness than ever before . . . and in that sphere one of the central, pulsating, driving forces is ELECTRICITY!

INDECO GUIDES TO BETTER ANNUALS

STABILITY

Since the turn of the century the Indianapolis Engraving Company, Inc., has maintained the highest standards of quality and intelligent cooperation, thus accounting for the continuous use of our service by many high schools, colleges and universities.

QUALITY

Indeco quality is the finest that modern equipment and skilled craftsmen can produce. Every engraving is unconditionally guaranteed to be a perfect printing plate and to give a faithful reproduction of your engraving copy.

SPECIALIZATION

Our service includes help in planning and designing, suggestions on how to get the best pictorial effects, assistance in preparation of engraving copy, and solving the many problems arising in making your book both an editorial and financial success.

IDEAS

The latest ideas in yearbook construction are offered to make the annual best meet the requirements of your particular school. Our "Service Manual" is a complete guide for the staff in their work.

RESULTS

Indeco planned yearbooks have long been recognized as being among the outstanding annuals of the country. You will be agreeably surprised, too, at the purchasing power of your budget. Write us asking for a complete explanation of the Indeco plan.
